2nd Annual LA County Faith Summit

September 26, 2024, 8:30am - 3:00pm

The Faith Collaborative to End Homelessness's (FCEH) mission is to coordinate and strengthen partnerships with Faith Based Organizations (FBOs). Through this summit, FCEH aims to convene critical community partners to strengthen the impact of our collective efforts to serve and house our neighbors experiencing homelessness.

This year's summit will focus on three critical elements of our work together: housing, serving special populations, and collaboration.

Faith-based organizations and community members will learn to:

- Use SB4 to build different types of housing projects on their land.
- Address the unique needs of special populations of people experiencing homelessness.
- Create avenues for faith communities to enhance their efforts to prevent homelessness.
